SECOND NOTICE

RE: HOUSE INSPECTION

ADDRESS 1209 KILGORE DRIVE

The City of Bellefontaine Neighbors has a Property Maintenance Code which requires that a house inspection be completed before properties are offered for sale, rental or changing tenants. The fee for the inspection is \$30.00.

After the inspection is completed, the property may be placed on the market. When the property is reinspected and found to be code compliant, an occupancy permit will be issued to the new occupant.

Please contact the Building Department at City Hall by the date of 3/15/10 to arrange for an inspection. An application is enclosed for your convenience.

Thank you,

Building Department
City of Bellefontaine Neighbors
